

Dairy Farm Story - Fill in the Blank

By Jared Grenier

Once upon a time there was a _____ farmer named Sara. She loved to take care of her cows. Her family owned the biggest dairy farm in town, which supplied the whole town with _____. The people were very thankful because now they could make _____, _____, _____, and other dairy products. All of the cows on the farm were milked every day. Sara had a baby _____ that was especially for her. Sara's _____ was named Lucy. Lucy was very beautiful and Sara would show her at the _____. After Sara came home from school, she would _____ Lucy until she looked perfect. Sara would wash, trim, and brush her for hours to get ready for the fair. Lucy loved being groomed after all day in her _____, but her favorite thing was having her feet trimmed by a _____. All _____ need to be trained before they show. Sara trained with Lucy for months before they were ready. Lucy was a _____ so she was calm and learned fast. Now, Sara wants to become a _____ when she gets older to keep all the cows and calves on the farm healthy.
