

Find your way to the Wild Blueberry Barrens!

START

The maze is a complex path of black lines on a white background. It starts at the bottom left corner, labeled 'START'. The path winds through various images and text. At the bottom center is a yellow license plate that says 'MAINE AG 4 ME'. To the right of the start is a stack of papers. In the middle of the maze is a book cover titled 'Wild Blueberries for ME' with a picture of a blueberry field. Above the book is a circular seal of the State of Maine. To the right of the seal is a green sign that says 'Maine Agriculture in the Classroom' with a picture of a red apple. At the top right of the maze is a cluster of blueberries. The path leads from the start, through the license plate, the stack of papers, the book cover, the seal, and the green sign, finally ending at the top right corner, labeled 'E - N - D'.
