

The Wild Blueberry System

Directions: Wild blueberries are part of an interconnected, agricultural system. Explain how each pair is connected within Maine's wild blueberry system.

Explain each connection:

Natural Resources and Farmers:

Equipment and Wild Blueberries:

Farmers and Processors:

Research and Wild Blueberries:

Wild Blueberries and Pollinators:

Consumers and Research:

Wild Blueberries and Geology:

Processors and Consumers:

Research and Natural Resources:

Create a new connection that is not shown above and explain why it belongs in the system.
